**Dear Sponsors,**

On behalf of the organizers of **Metamaterials 2021, the 15th International Congress on Engineered Material Platforms for Novel Wave Phenomena**, I cordially invite you to take part in our Congress, which will run in an online format from New York City, on September 20-25, 2021. Following the success of the previous editions, Metamaterials 2021 will continue providing a premier international forum to share the latest results of the metamaterials research worldwide. This event will bring together the engineering, physics, and material science communities for 4 days of presentations, discussions, exchanges, courses and strategy development in artificial electromagnetic materials science and technology. <https://congress.metamorphose-vi.org/>

**Metamaterials 2021 represents an excellent opportunity to outreach to your target audience, potential customers and promote your products and services among the leading researchers, engineers, professors and students working on artificial electromagnetic materials, metamaterials, nano-materials, electromagnetics, optics and antennas, as well as on applications of metamaterials to fluid mechanics, thermodynamics and geophysics.** The past editions have consistently attracted over 400 participants from 40 different countries of 5 continents. We expect this year to further improve the number of attendees, from a broad range of backgrounds, including universities, scientific organizations, publishers and industries. As metamaterials are moving beyond the halls of academia into the commercial market, we believe this is one of the most exciting time in the history of our field, with great advantages for first-movers in this emerging industry and emerging market.

We offer the possibility to promote your organization at our Congress as Sponsor by choosing one of the **Sponsorship Packages** and customize it with several additional sponsorship options.

Please find the details on the following pages. You may choose from the listed options or contact us to customize a specific package tailored to your organization's individual needs.

I am looking forward to seeing you online at Metamaterials 2021!

## PROMOTION OPTION for Sponsors

Choose from the following packages, or pick the individual options that best suit your organization's needs and contact us to negotiate the conditions.

### Sponsors' Packages

Available options

Silver package  
includes:

Gold package  
includes:

Diamond package  
includes:

Acknowledgement in the  
Congress Materials

Web advertisement

Your logo displayed as screen  
saver at beginning and  
between sessions

Organization of Special  
sessions and/or workshop  
during the congress

Registration  
Fees

Full registration  
is required

Discounted of 50% for  
one (1) delegate

Waived for one (1) delegates  
+ Discounted for additional  
delegates

**COSTS**

800 US\$

1200 US\$

2000 US\$

## **PRESS PASS**

If you are Editor or Staff member of a scientific journal or member of the Press, we offer the option of **attending the whole conference (four full days) with a single-day registration**. We only ask you to advertise Metamaterials' 2020 in a dedicated column on your journal.

To be eligible for this option, please send us one of the following press credentials in a .pdf, .png or .jpg image file:

- *Media identification*, such as an international accredited press pass, issued by a recognized news organization, or
- *Business card* clearly stating affiliation with a news organization as specified and position, e.g., editor, publisher, writer, reporter, producer, etc., or
- *Letter on official letterhead from the editor* of a publication/website or producer of a broadcast program certifying the affiliation, verifying assignment to the meeting, and including the editor's contact information.

## **ADDITIONAL PREMIER SPONSORSHIP OPTIONS** **for a customized sponsorship**

- **Organize Own Workshop (cost: available upon request)** – We can arrange for your organization to offer specialist workshops devoted to company products that you would like to present.
- **Delegate Badge Lanyards** – Your organization can provide the badge lanyards to be given to all delegates, with your logo printed on the neckband.
- **Students/Researchers Travel Grants Sponsorship (cost and details to be discussed with the organizers)** – Grantees will be selected on a competitive basis.
- **Student Paper Competition Sponsorship (cost and details to be discussed with the organizers)** – The recipients will be selected on a competitive basis. **Sponsors have the option of presenting the awards at the closing ceremony**, one of the most visible events of the Congress.

I am looking forward to seeing you online at Metamaterials 2021!
